THAT SUFFERING IS CAUSING THE FORMATION OF A MORE INTENSE "KI", WHICH INCREASES THE POWERS OF THE RED FEATHERS, WHO FEED ON IT ...

1 fugu [Trans. Note] Thanks to Shouki on the mangatranslation.com forums for help interpreting this passage. There still isn't a clear consensus about the meaning of this though. Another alternative, proffered by Shouki later on: "If Souhaku is out of the way, the emperor (the go-playing guy from a few chapters back) will make Ieyasu the next ruler of Japan"

2 fugu [Trans. Note] Actually, those crab hunting-like people are doing the freeing, but I don't understand of what.

1 fugu [Trans. Note] Or more loosely "You're making a mockery of your reputation as the best on Earth"

2 fugu [Trans. Note] you can play a bit with the structure of the hypothetical. I originally wrote "No matter how much ki you stole from a master swordsman ..." but upon further reflection, it is more of a hypothetical case.

3 fugu [Trans. Note] A loose, but more or less correct translation.

4 fugu [Trans. Note] I include both heart and spirit because the kanji is given for spirit, the reading is given as heart

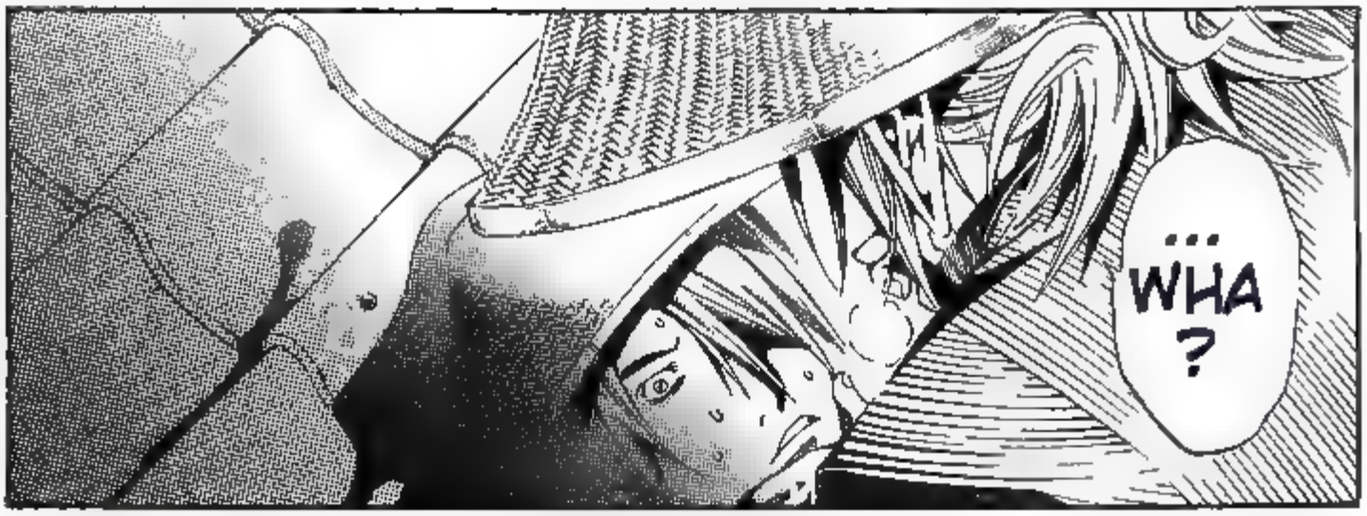
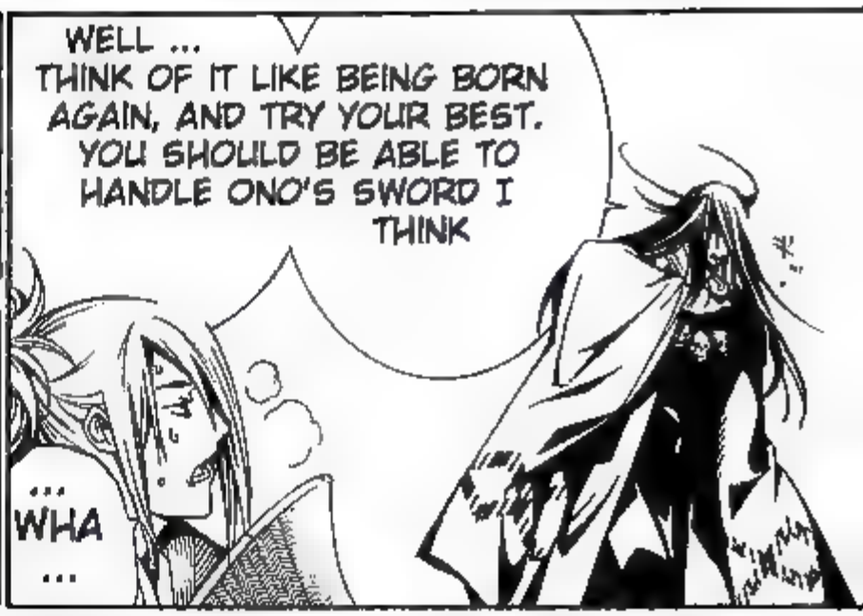
Tenjo Tenge 16 Page 18 2006/05/25

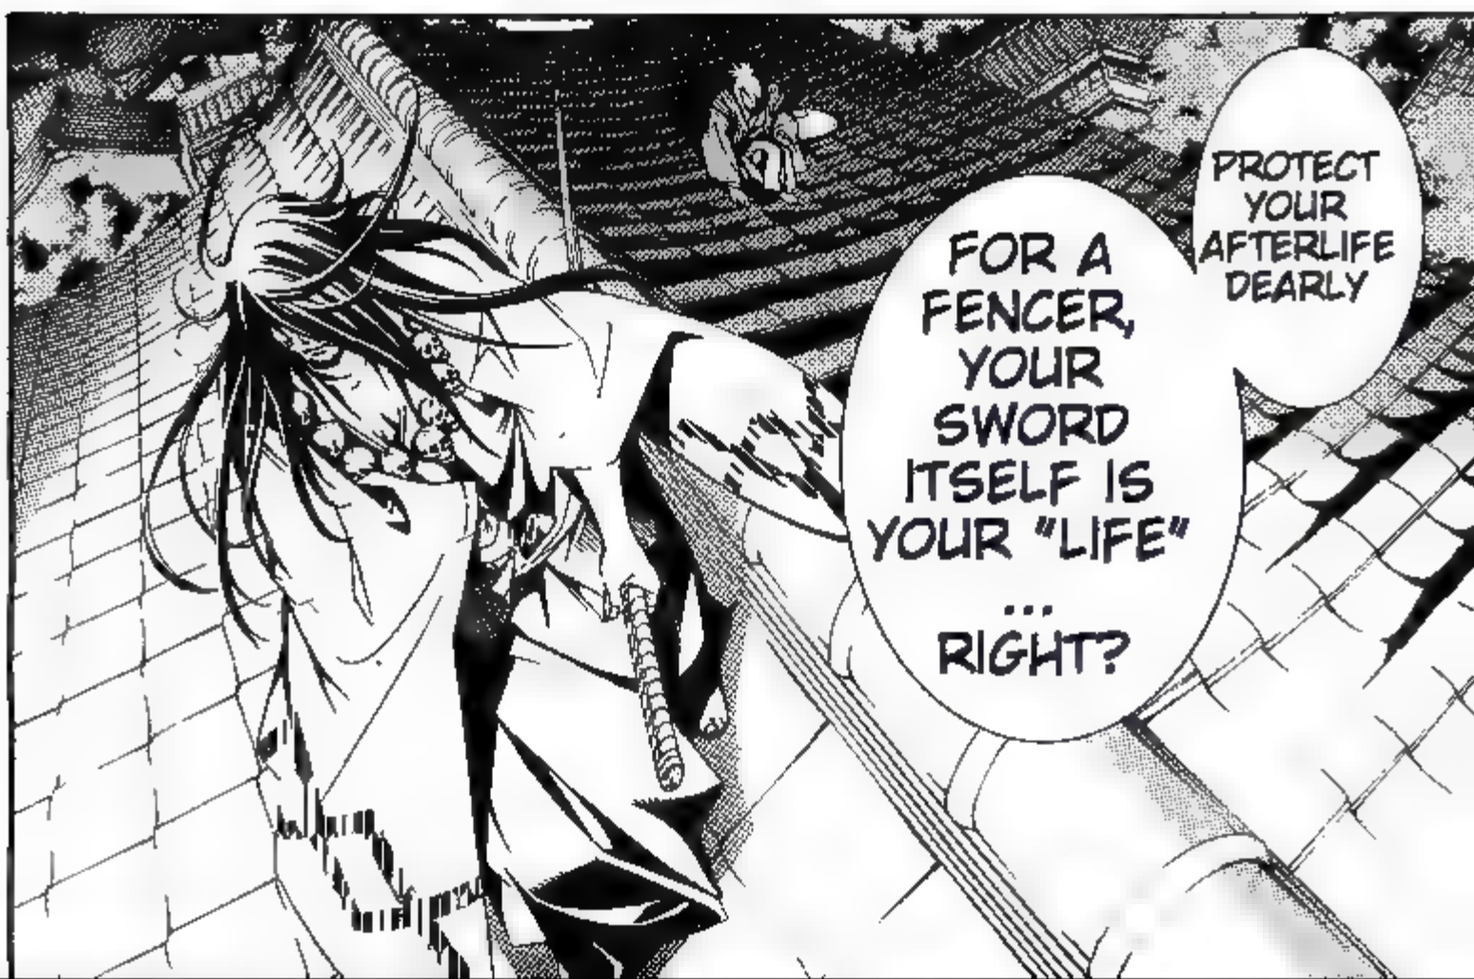
1 fugu [Trans. Note] Not positive about this, but I think he's saying that if the swordsman had been reflecting the moon (or something equally poetic / mundane) instead of reflecting his swordsmanship skills, he couldn't have taken chops. It is most likely just a joke about that speech earlier though - I think he still could have taken the secret techniques with Reiki regardless of what the other guy was "reflecting"

2 fugu [Trans. Note] Specifically, the history of fencing

3 fugu [Trans. Note] I couldn't find 神伝 in any of my resources, but perhaps I've romanized the characters incorrectly. From the kanji components though I took some meaning.







1 fugu [Trans. Note] I'm positive that Shyoujyou is talking about himself here - he regrets having killed Jirou for the sake of his "role". I think he liked him.

SEKIGAHARA WAS EMBROILED IN A WAR OF SUCCESSION, AND AFTERWARDS THE TOKUGAWA SHOGUNATE WAS ESTABLISHED.

TOYOTOMI HIDEYOSHI'S DEATH BROUGHT ABOUT GREAT VIOLENT CHANGE.

TIME HAS PASSED, AND IT IS NOW THE 20TH YEAR OF THE KEICHOU REIGN (1615). THE TOYOTOMI CLAN IS NOW AT THIS LATE HOUR DEEP IN DEPTHS OF RUIN...

YUKI-MURA!

EEIII!

YUKI-MURA!

YUKI-MURA!

WHERE ARE YOU, YUKI-MURA!?

UP UNTIL THE LAST ISSUE WE WERE IN THE PERIOD OF CIVIL WAR. THE VARIOUS TAKAYANAG TWELVE FOUNDING FAMILIES TRIED TO DO ALL THEY COULD TO END IT. BUT SOUHAKU'S WAR TO BUILD THE "WORLD OF THE RED FEATHERS" CONTINUED ON. IN ORDER TO STOP SOUHAKU'S UNCONTROLLED VIOLENCE THEY PLOTTED TO ASSASSINATE HIM AND NATSUME AYA, AND THEY STABBED EACH OTHER. BUT WITH HIS "SPECIAL CHARACTERISTIC", HE LIVED ON TO GREET THE PEACE.

TIMES CHANGE. DESPITE THAT, PEOPLE ARE STILL BURDENED WITH THIS HEAVY BUSINESS...

[Trans. Note 1] Takeuro is written with the characters for "happiness" and "love".

SFX: SLAP SLAP SLAP

ISN'T THAT JUST BECAUSE THE TIGER'S AREN'T MOVING OUT ENOUGH?

EE!!

HEY... GRANNY.

WHA...!? ARE YOU SAYING THAT OUR CASTLE WILL FALL!? RIDICULOUS!

WELL ...

TIME FOR THE FIRE-WORKS ...

THAT PUT AN END TO THIS "WORLD OF WAR".

[Trans. Note 1] "Tora" is probably not tiger. This person might be talking about the guy who is having sex, and how he's not doing enough to prevent the castle from falling, or she might be making some joke about the sex. I think she's talking about the current battle though, and perhaps "tora" is not this person here, but some other forces involved. Hard to say without reading farther.

[Trans. Note 2] The reading given for the kanji characters "world of war" is "dream".

I fugu. [Trans. Note] This is a good translation I think, but this sentence is convoluted, and it is possible that I have interpreted it incorrectly. Still, sounds nice English if I do say so myself.

HELLO
AH ... HERE YOU ARE
ICHIYOU !!
HEY

OH, I DON'T MIND ONE BIT. HEY, WHAT DO YOU THINK ABOUT THIS? IT'S CALLED SPONGE CAKE I THINK ...
HA HA ...
YOU'RE ABOUT THE ONLY ONE THAT COULD JUST CASUALLY SAUNTER INTO THE GREAT INFLUENTIAL FIGURE OF IEYASU'S BEDROOM JUST LIKE IT WAS THE KITCHEN NEXT DOOR

Up until the last volume, Oosaka castle fell and the world embraced a period of peace but there was a small shadow that quietly rose from the ashes of the castle and snuck away. It looked like Senhime's dog but it was holding Souhaku's fan in its mouth. Time passes and Aya watches the history of the 12 Founding Families. What will she see, and what should she do? These questions will be answered right now

!?

OOH ... IS THAT SO?

.....!!

I JUST RETURNED FROM SUMA TEMPLE IN OUMI ...

I CAME TO GIVE YOU A REPORT ON THAT ... AND SAY HELLO

IT'S DELICIOUS ♡

AH, HE'S RIGHT

WELL ...

THAT WILL BE LIMITED TO TODAY ONLY ...

LET'S SEE ... KAGO SOUHAKU BUILT THAT PLACE, AND INSIDE THERE ARE ALL SORTS OF THINGS THAT YOU WOULDN'T BELIEVE. AN AMATEUR COULDN'T TAKE THAT ON

ICHIYOU IS THE KIND OF GUY THAT DOES THINGS COMPLETELY THOROUGHLY. EVEN AFTER THE FALL OF OSAKA CASTLE HE'S BEEN GOING AFTER AND DESTROYING EACH OF THE SIDES THAT STILL REMAINED BY HIMSELF

... IN OTHER WORDS, MY "DUTY" IS FINALLY COMPLETE ...

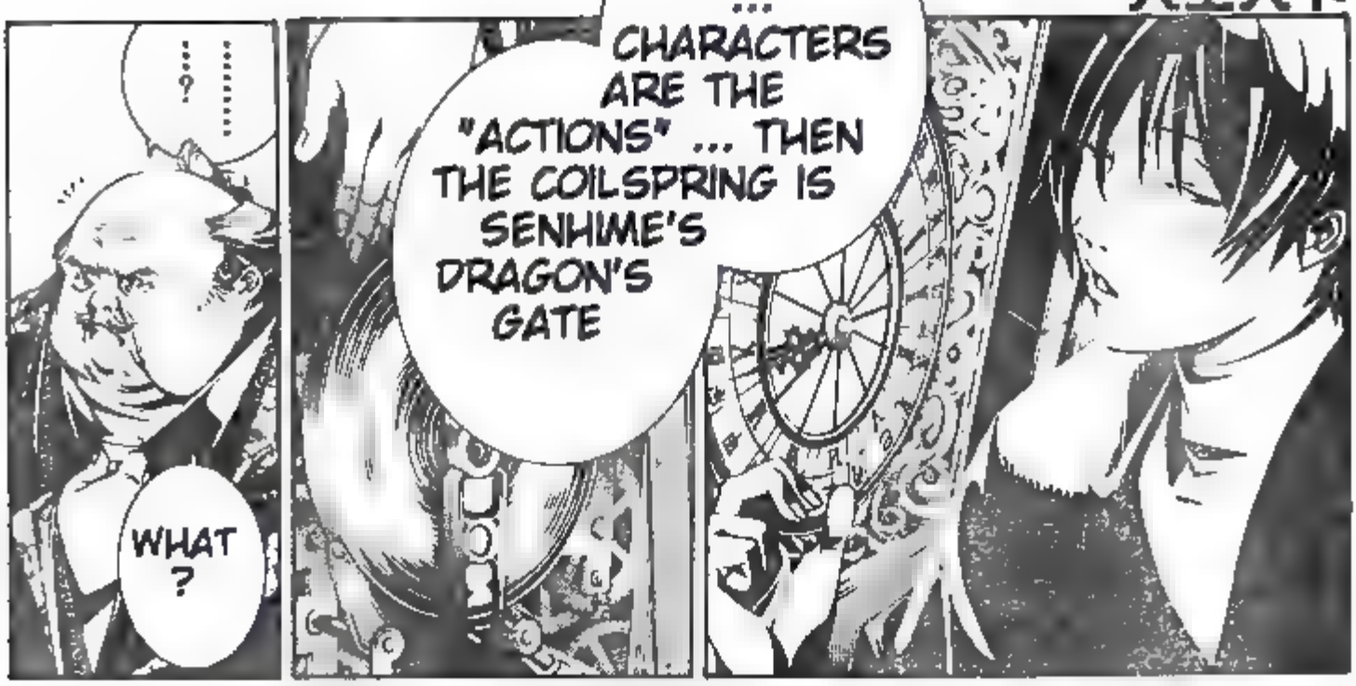
BECAUSE OF THAT IT TOOK ME TWO YEARS BUT ... THAT WAS THE LAST OF IT

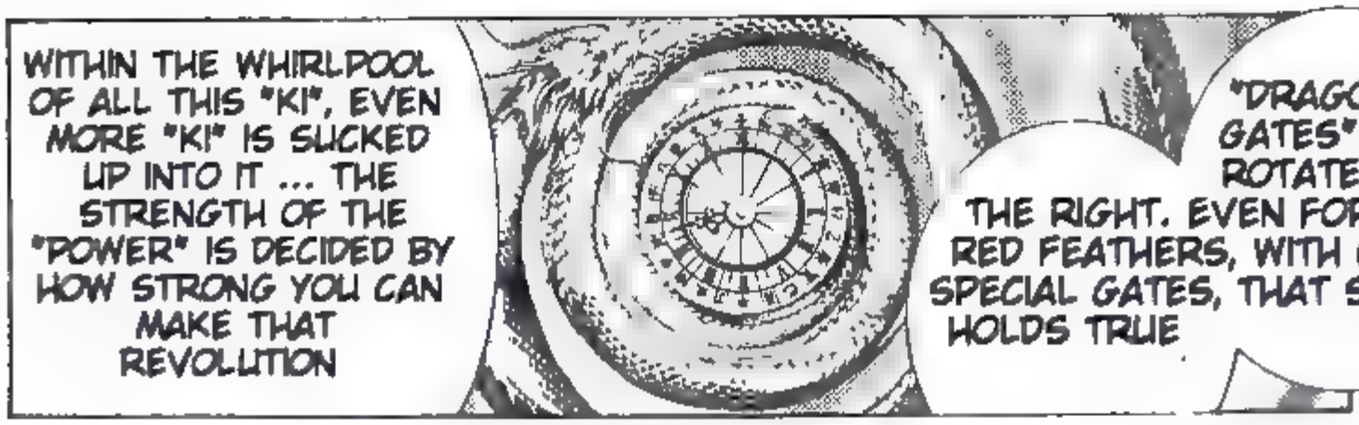
THIS "BLADE" CALLED NAGI ICHIYOU KENGO, STARTING TODAY WILL BE THROWN OUT INTO THE FIELD ... LET'S CHANGE OUR TEARS INTO TARNISH AND ROT AWAY

1 fugu [Trans. Note] Thanks to Shouki from the mangatranslation.com forums for his interpretation

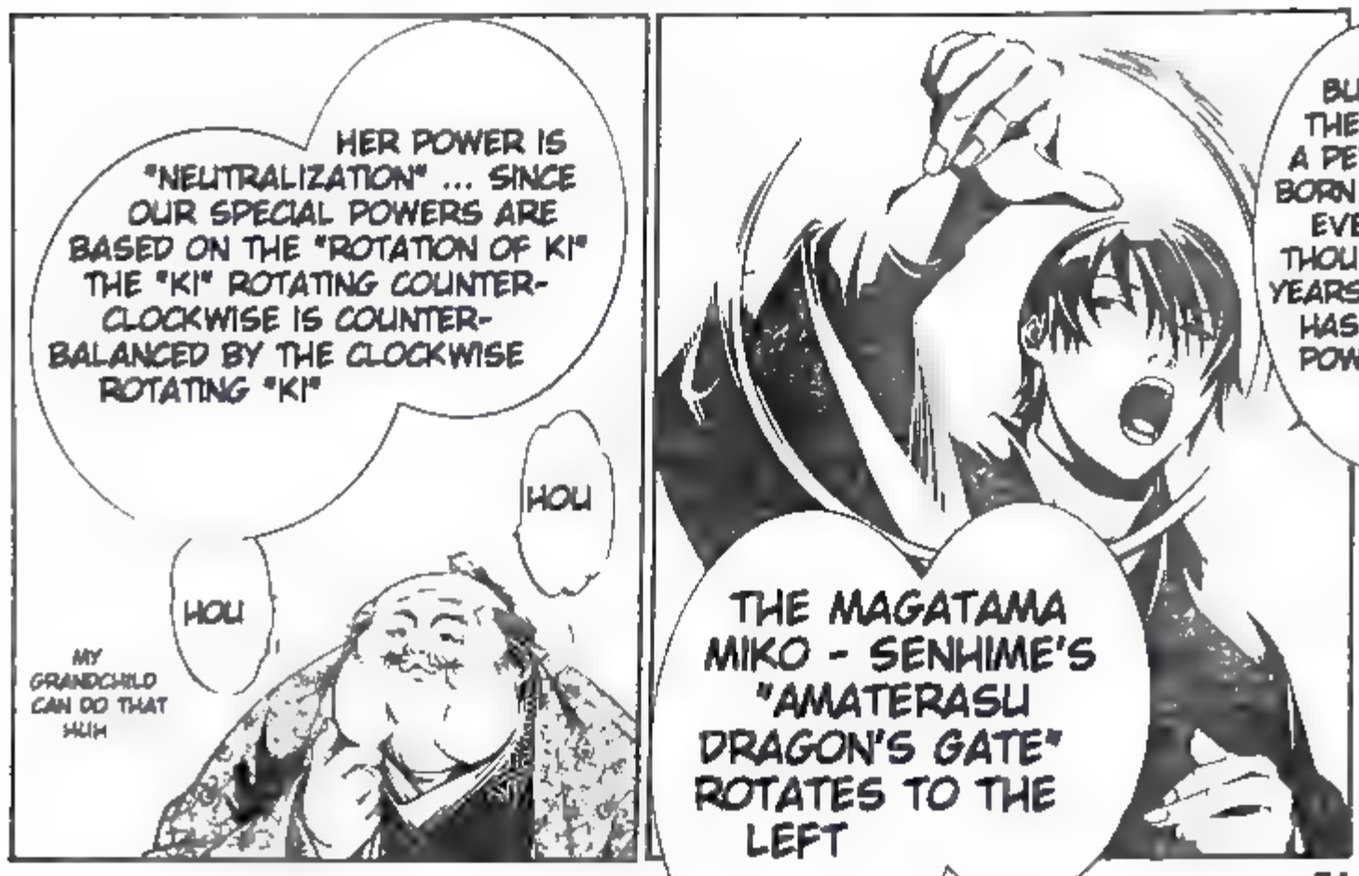
2 fugu [Trans. Note] Very likely a poor translation as well

WHY DID SOUHAKU TREAT SEN SO WELL ...
BUT ... THERE IS STILL ONE THING THAT I DON'T UNDERSTAND
UMU ... SENHIME? AS PER YOUR PROPOSAL I'VE PUT HER UNDER SUPERVISION OF ONE OF MY CLOSE CONFIDANTS. LOOK ... THAT GUY TADATOKI OVER AT HEIHACHIROU ...
HM? ... YEAH. HEY ... PLEASE DON'T BREAK IT
WOW ... THIS IS A NICE CLOCK. IS IT FROM HOLLAND ?





WITHIN THE WHIRLPOOL OF ALL THIS "KI", EVEN MORE "KI" IS SUCKED UP INTO IT ... THE STRENGTH OF THE "POWER" IS DECIDED BY HOW STRONG YOU CAN MAKE THAT REVOLUTION
"DRAGON'S GATES" ALL ROTATE TO THE RIGHT. EVEN FOR US RED FEATHERS, WITH OUR SPECIAL GATES, THAT STILL HOLDS TRUE



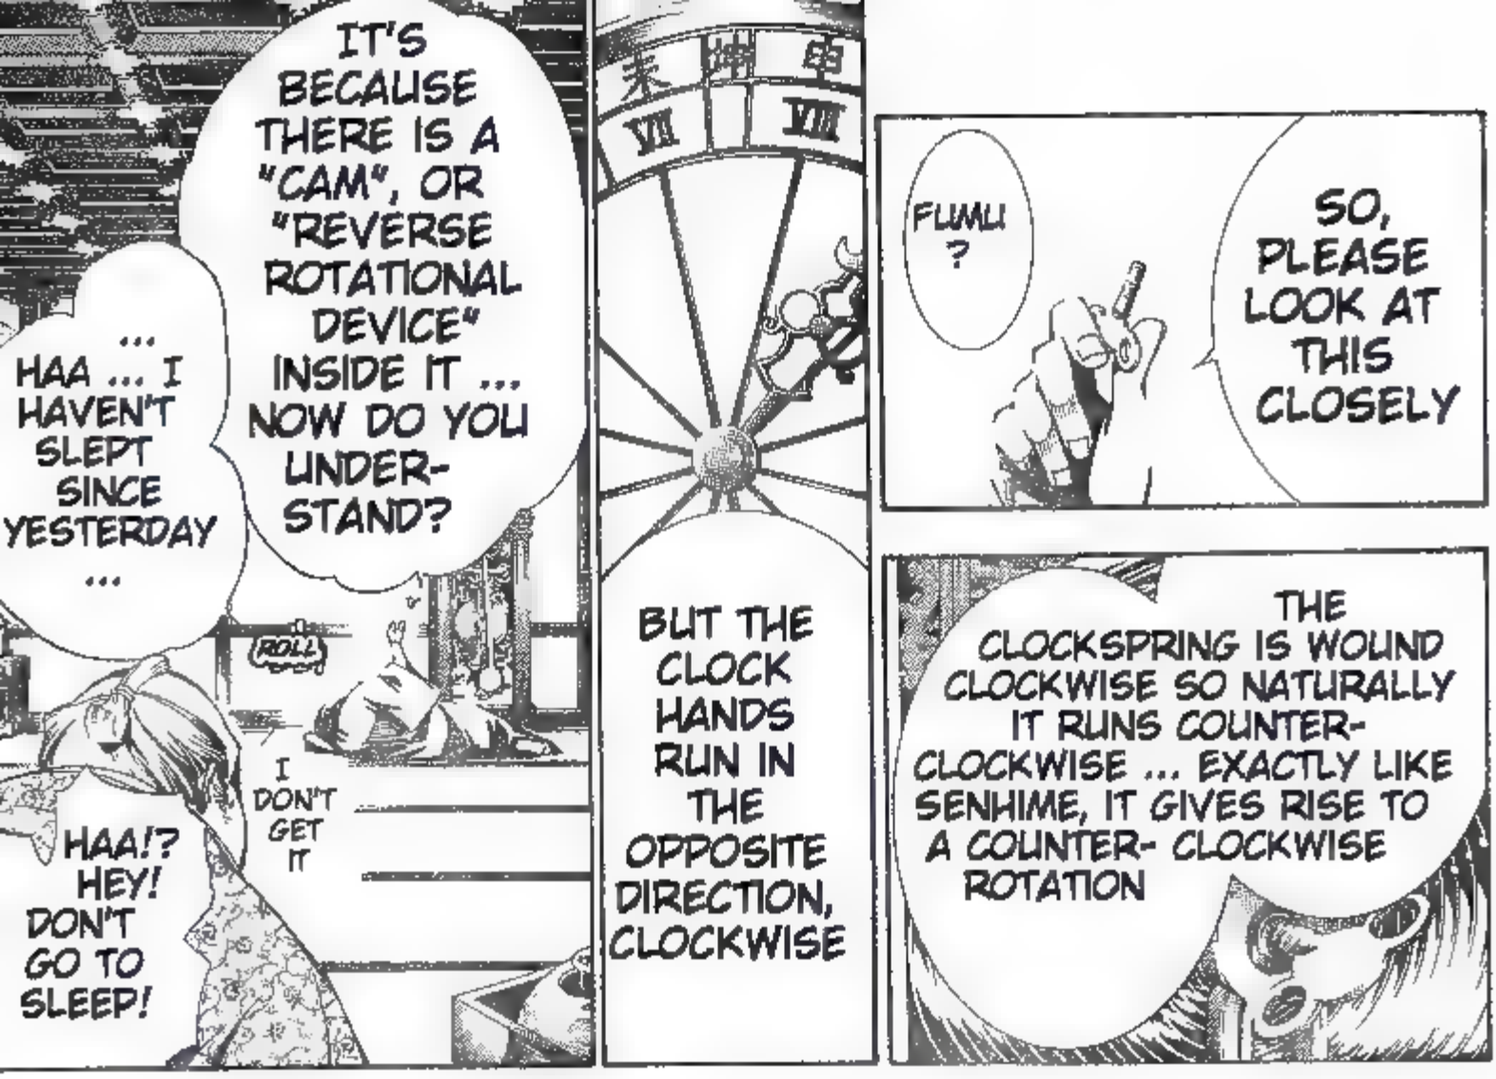
HER POWER IS "NEUTRALIZATION" ... SINCE OUR SPECIAL POWERS ARE BASED ON THE "ROTATION OF KI" THE "KI" ROTATING COUNTER-CLOCKWISE IS COUNTER-BALANCED BY THE CLOCKWISE ROTATING "KI"
HOU
HOU
MY GRANDCHILD CAN DO THAT HUH
BUT ... THERE IS A PERSON BORN ONCE EVERY THOUSAND YEARS THAT HAS THIS POWER ...
THE MAGATAMA MIKO - SENHIME'S "AMATERASU DRAGON'S GATE" ROTATES TO THE LEFT

Tenjo Tenge 16 Page 60 2006/07/30

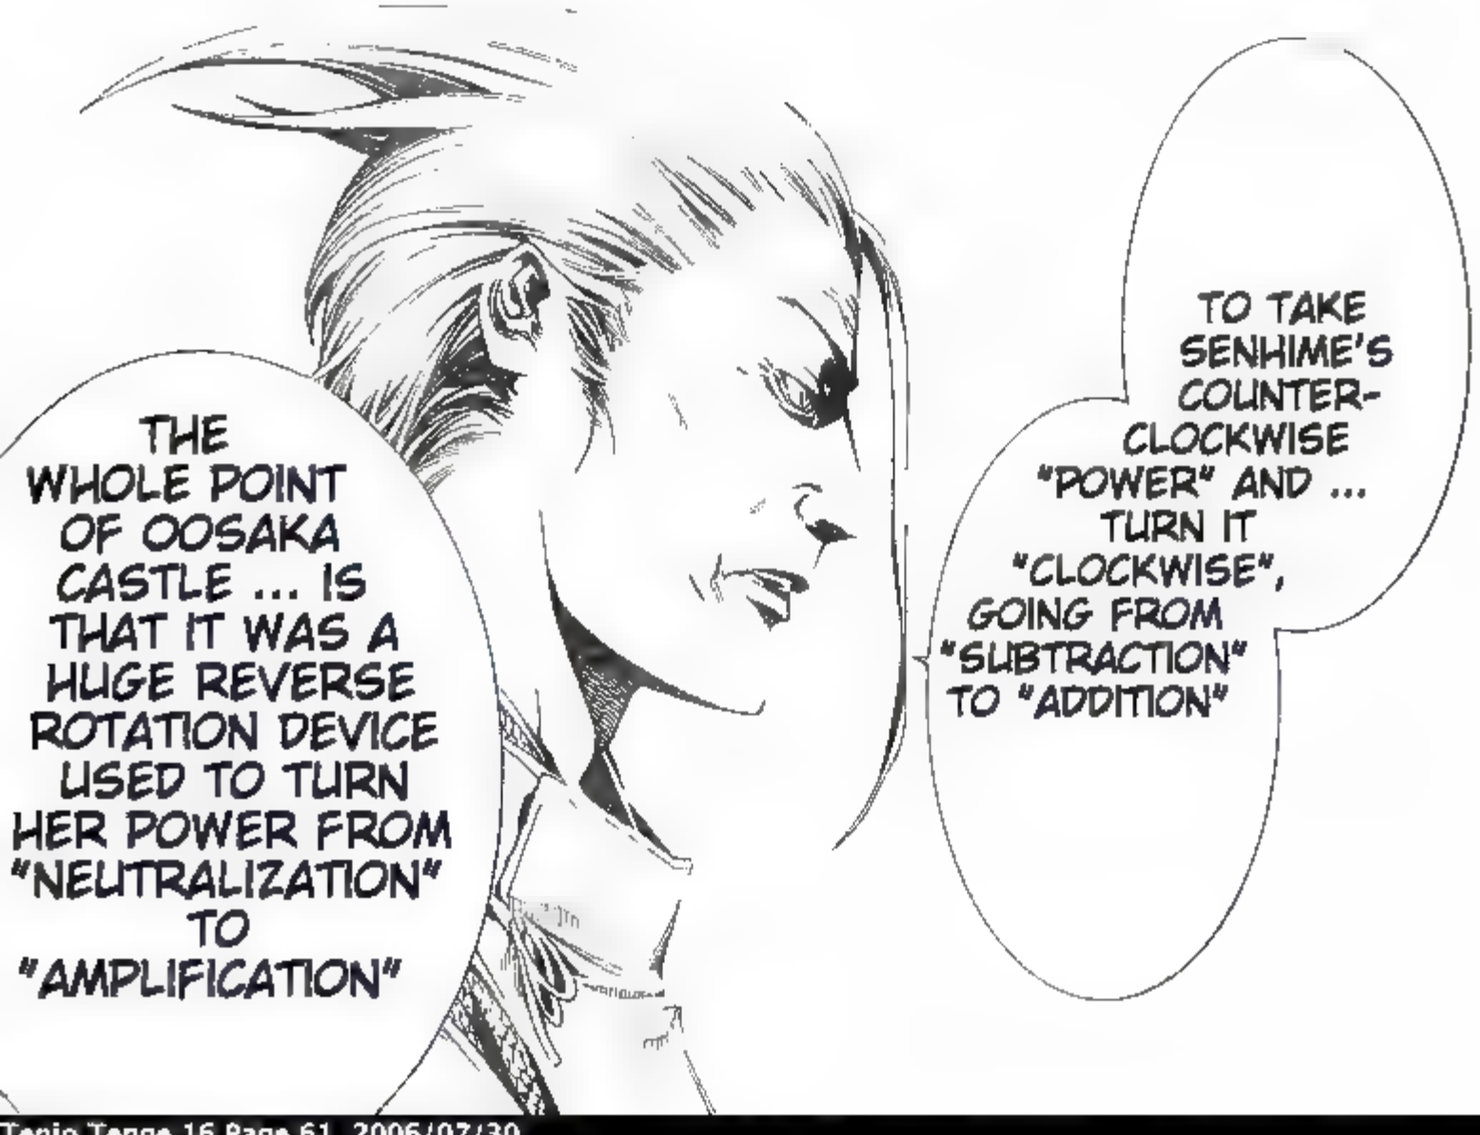
1 fugu [Trans. Note] Dragon's Gate is given the reading "Chakura" and also my translation of "動衆" as actions might be a bit odd. Results / consequences are other options.

2 fugu [Trans. Note] Turning to the right means clockwise. A more literal translation than "special gate" would be "different / unique"

3 fugu [Trans. Note] Is Soshima Izuru's grandchild???



IT'S BECAUSE THERE IS A "CAM", OR "REVERSE ROTATIONAL DEVICE" INSIDE IT ... NOW DO YOU UNDER-STAND?
...HAA ... I HAVEN'T SLEPT SINCE YESTERDAY ...
ROLL
I DON'T GET IT
HAA!? HEY! DON'T GO TO SLEEP!
BUT THE CLOCK HANDS RUN IN THE OPPOSITE DIRECTION, CLOCKWISE
FUMU ?
SO, PLEASE LOOK AT THIS CLOSELY
THE CLOCKSPRING IS WOUND CLOCKWISE SO NATURALLY IT RUNS COUNTER-CLOCKWISE ... EXACTLY LIKE SENHIME, IT GIVES RISE TO A COUNTER- CLOCKWISE ROTATION



THE WHOLE POINT OF OOSAKA CASTLE ... IS THAT IT WAS A HUGE REVERSE ROTATION DEVICE USED TO TURN HER POWER FROM "NEUTRALIZATION" TO "AMPLIFICATION"
TO TAKE SENHIME'S COUNTER-CLOCKWISE "POWER" AND ... TURN IT "CLOCKWISE", GOING FROM "SUBTRACTION" TO "ADDITION"

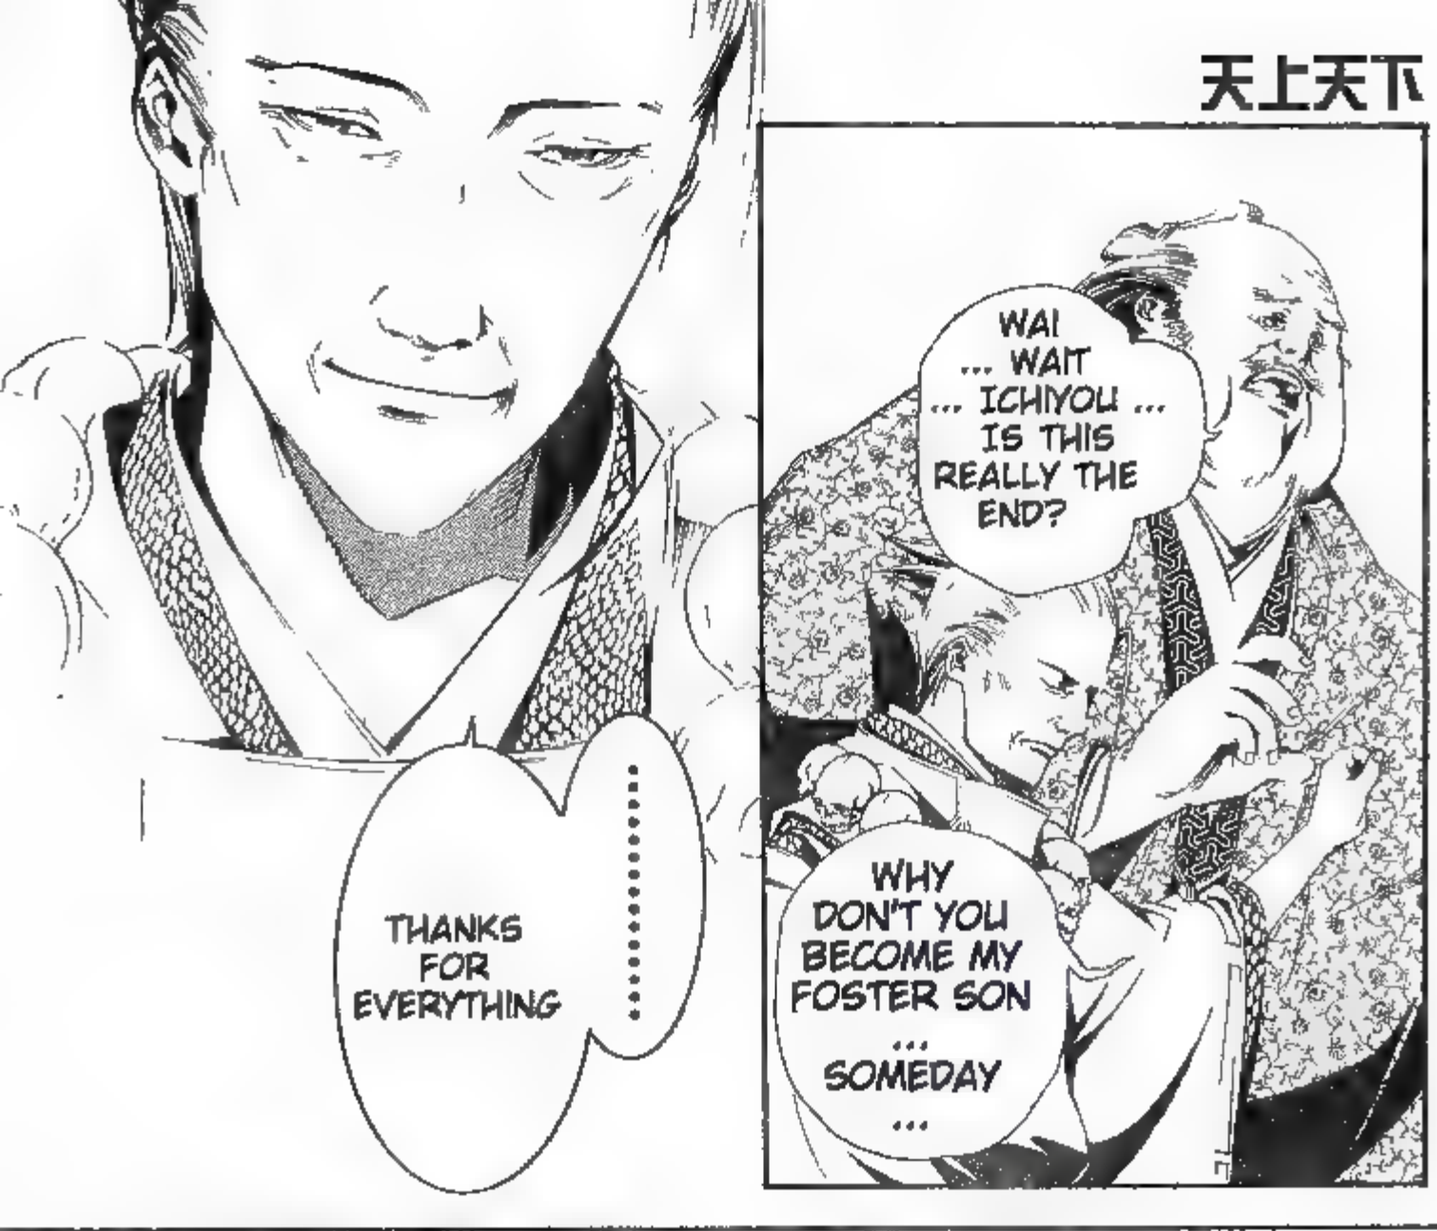
USING HIMSELF AS "BAIT" HE COLLECTED A LARGE NUMBER OF PEOPLE WITH SPECIAL ABILITIES. HE KILLED KABANE, AND HE EXPECTED THAT DELIBERATELY CARVING HIM UP WOULD JUST CALL MORE OF US AND OUR "FRIENDS" TO COME
IT WAS ALL ACCORDING TO SOUHAKU'S PLAN, TO PUSH THE WHITE FEATHERS INTO A SOLID CASTLE THAT ABSOLUTELY WOULD NOT FALL, THEN HE WOULD FORCE THE RED FEATHERS OUT
……
THE RATE OF REVOLUTION IS TRANSFORMED INTO THE RADIUS OF THE REVOLUTION
AS A RESULT OF MANY DIFFERENT "GEARS" MESHING TOGETHER
IS FAST, BUT SMALL
THE POWER BORN FROM THE CLOCK-SPRING
THE "ABILITY" STILL HAS A LARGE AND BIG ROTATIONAL POWER
THE SPEED IS SLOW BUT

AND IF ... ON THAT DAY IF THE RESULT IS THAT THE "TRUE FUNCTION" IS PUT INTO OPERATION ... THE WORLD OF WAR WILL CONTINUE FOR A HUNDRED YEARS ... NO, MAYBE 1000 YEARS
BUT ... IT WILL NOT BE "MAN AGAINST MAN" LIKE IT HAS BEEN UP UNTIL NOW
IT WILL BE "THOSE WHO HAVE SURPASSED MAN" AGAINST "THOSE WHO ARE STILL MEN" ... A TERRIBLE WAR THAT NOBODY WILL BE ABLE TO IMAGINE ...
THE RESONATION OF THE RED FEATHERS - ... USING SENHIME'S POWER COULD BE WIDELY EXPANDED AND AMPLIFIED OR
ALL OF THE PEOPLE IN THIS COUNTRY THAT HAVE A SPECIAL POWER WOULD AWAKEN, AND AGAIN CAUSE MORE RESONANCE - ... !!

SO IT STARTS WITH SNOW... AND ENDS WITH SNOW...?
はじまりは雪で終わるのか……
WE SURE... KILLED A LOT... DIDN'T WE...
THERE WAS NOTHING ELSE I COULD HAVE DONE, AT THE TIME THAT BIG FAT ... EVER SINCE WE GOT THAT MESSAGE FROM THE OOSAKA CASTLE SPY ... IF WE DON'T DESTROY IT IT WILL BE A BIG PROBLEM
WELL ... THERE'S THAT, AND AYA ALSO SLIPPED INTO IT
WHAT?
WHA? WHAT?
WHEW ... IT'S COLD, THE FIRST SNOW
ICHIYOU TAKE THIS
MIDORI ... ? AAH ... THAT GUY THAT I PUT ONOJIROU'S "KI" INTO FROM BEFORE ...
SISTER MIDORI ... DID A VERY BAD THING

1 fugu [Trans. Note] I do not know who Midori- oneesan (older sister) is, and it is really "sister Midori (and the rest of them)". From Shouki: Midori was the prostitute from the beginning of this arc - Ichiyou killed her (saving her from Aya)

2 fugu [Trans. Note] This is a tough one too - verb tenses are all messed up. Maybe it should have been "if we hadn't destroyed it ..." or something like that



WAI ... WAIT ... ICHIYOU ... IS THIS REALLY THE END?
WHY DON'T YOU BECOME MY FOSTER SON ... SOMEDAY ...
THANKS FOR EVERYTHING .....

FROM HERE ... IT IS CLOSE TO 300 YEARS ...
この BELOW THIS CREST に
長い戦のない A LONG ... PERIOD WITHOUT WAR BEGINS 始まる

NO ... IT IS MORE THAN POSSIBLE ... SOUHAKU'S POWER IS THE MANIPULATION OF "DEATH" - ...

WAI ... WAIT, WAIT! WHAT IS THAT ...
!?

1 fugu [Trans. Note] I'm not connected to the net while translating currently, so I can not confirm this collocation translation

2 fugu [Trans. Note] Not really sure what "わ和し" is - since it is emphasized I think it is some local dialect, I'll assume for addressing unknown people.

THE WORLD IS ALREADY IN THE MIDST OF THE AGE OF NAVIGATING THE GREAT SEAS THANKS TO LARGE SCALE SEA SHIPS

Falling under the dark shadow of those footprints, a new age starts to move once again ...

Since the last volume, Ichiyou was supposed to perform his duty to destroy Souhaku's ambition. Aya thought that her trip, enabled by Reiki and the Dragon's Eye, would be coming to an end. But Souhaku took over Shyoujyou's body and was resuscitated. At the same time, Aya watched as Souhaku attempted to resuscitate himself in the present period. Ichiyou thought that his friend was dead, but because of Souhaku, he sees his friend moving about. What should be done, what can be done. The decision is approaching.

1 Fuguu [Trans. Note] 日の本 is a nick-name for Japan, literally the (country of the) "Origin of the Sun"

2 Fuguu [Trans. Note] I took some artistic license and adding in the bits about commerce (instead of just devour them - the economy) and expeditions (it was left unsaid, but I assume that is the correct interpretation.)

3 Fuguu [Trans. Note] I might be wrong about Ichiyou using his friend he thought died more recent, but I think that is the correct meaning.

"NATIONAL ISOLATION"

大暮維人

1 Sego [Trans. Note] The policy of excluding foreigners from the country, which Japan followed extensively up until the Meiji Restoration, if I recall my history classes correctly (I probably don't.)

THE WORLD OF PEACE THAT YOU ALL DESIRE ... YOU CAN HOLD IN ONE HAND THOSE OF THE BAKUFU AND SHOGUN FOR THE NEXT TERM THAT HAVE THE POWER TO ACCOMPLISH THIS

Tenjo Tenge 16 Page 89 2006/09/06

1 fuga [Trans. Note] The Bakufu is the term used for the Shogunate government. I'm not clear yet what time period this is now, but I'm sure someone on the MangaTranslation.com forums has figured that out. The Shogun (a loosely confederated military) took over the government largely from the Imperial forces for a certain time in Japanese history.

2 fuga [Trans. Note] Tokuan is an area near Eastern Osaka. I think. There's a JR station there now if you want to check it out.

AFTER ALL, HIS "ART" IS, JUST AS HIS NAME WOULD HAVE YOU BELIEVE, "MONKEY-SEE MONKEY-DO". HE SAYS THAT HE IS BURDENED WITH THIS IMPORTANT TASK, BUT HIMSELF IS THE ONE THAT LOST HIS POWER!

IN THAT CASE, I HAVE AN ART ALSO ... I'LL SEND YOU BACK TO HELL! STRETCH YOUR NECK OUT BEFORE ME
NURARI ...

1 fugu [Trans. Note] Again, slightly complicated. The 身に余る is a kind of set phrase for something that is undeserved, I didn't work that into my translation though. 野に下る could be to leave a Government position, or to lose [political, military, etc.] power. I think the second usage is more appropriate here, but again, that is my interpretation.

SFX: DOH
MY SWORD WILL -
SIT DOWN
IS THERE ... ANYONE ELSE WITH ANY OBJECTIONS ...

1 fugu [Trans. Note] I am not entirely convinced that this isn't "I will not kill you... I definitely will not kill you". If it was about Ichiyou killing him, I would expect an 〜を or a 〜が as the second particle, not は. I haven't really studied the case markers for killing though because that was never something we were expected to have to know in my Japanese classes those many years ago, and it doesn't come up often in conversation around here either...

"OUR TEAM"

THIS "TEAM" HAS MANY MORE MEANINGS THAN JUST THE "FRIENDS" OF THIS COUNTRY THAT YOU WOULD EXPECT FROM THE WORD

IN OTHER WORDS ... ONCE YOU DECIDE THAT YOU WANT TO ACCOMPLISH SOME GOAL, IT IS NECESSARY TO HAVE AN ORGANIZED "TEAM" COMPOSED OF PEOPLE THAT HAVE THE PROPER "ROLES"

WITHOUT ANY PLANNING OF MY OWN, I LEARNED THAT MYSELF FROM THE "TEAM" THAT YOU PUT TOGETHER

COME TO THINK OF IT

I MIGHT HAVE BEEN OVER-ESTIMATING MY OWN ABILITY ...

1 fugu [Trans. Note] 焼きつくす is "to be burned and saved" - I tried to translate it naturally, but I can't think of a good way to do that without losing the imagery of the Phoenix being reborn in fire. That isn't in the original Japanese, although I'm sure it is a reference to it.

1 fugu [Trans. Note] English Translation is a bit out of order from the Japanese translation

2 fugu [Trans. Note] Her "middle name" (?) Myouun could be translated as "Mystery Cloud" (I like that one anyway.) Hirohiko could be "compete / race / ratio" "spine / backbone" / "lad / boy". That's a strange one!

3 fugu [Trans. Note] Mitsuiro is "Honey-color", Tokuan was mentioned before, a place I believe. In the ancient era, Soshoku was asked "How was Tokuan" when someone thought he was actually Shoukyou impersonating Soshoku. I think.

Up until the last volume: Political power has been widely deployed by the revived Souhaku Nagi Ichiyou used his Dragon's Fist to collect the powers of the Red Feathers one by one, and decided to face Souhaku. Ichiyou's travel continued, as the Flying Phoenix gathered its feathers, seeking to spread its wings in the future. On the other hand, in the present, Aya returned to conciousness. Kabane and Shyoujyou's descendants showed up in the Dojo, waiting to accomplish the "duty" remaining from their ancestors. The battle for this important fate starts today!!

1 fugu [Trans. Note] This is the first time I've seen Kagurazaka's first name. There are many possible readings, the most common probably Shinobu or Azumi, both of which are female names, so I raised them out. That leaves Shino (also female), Oshi and Nin. Oshi and Nin are rare and I don't know if they are female or male, so I went with Oshi, which sounds less strange than Nin to me. But since I'm just a foreign fish, that might not be right.

2 fugu [Trans. Note] Again, this might not be the correct reading. Other alternatives are Hitoji, Hitoharu, but I think Kouji is the most common.
